

## **What is Science? Week 1**

Presented by Dr. Robb J. Wilson

**What are some principles we can use in reconciling scientific and Biblical claims?**

---

---

---

**What is cosmology? What are examples of cosmologies?**

---

---

---

**Cosmology and theology interact and combine to form a \_\_\_\_\_?**

**Why should science and faith not automatically be in conflict?**

---

---

**Explain your reasoning about the independence or interdependence of science and faith.**

---

---

**How did our cosmology arise?**

---

---

**What are the four main worldviews that have evolved from the development of modern science?**

---

---

---
